9.0 OPEN RINGETTE POLICY

- 9.1 Purpose** Provide minimum standard for the formation and operation of Open Ringette Teams in Alberta.
- 9.2 Applicability** NRL (as defined in 9.6), Competitive (Open A, B, C), & Recreational. All league, exhibition, tournament, play down, and Provincial Championship games unless specifically stated otherwise in this policy. Exception: NRL, who are governed by the NRL Framework.
- 9.3 Principles**
- 9.3.1 Open Ringette is organized to accommodate different needs and expectations of those participating, these participants are:
 - 9.5.1 Young adults who are highly skilled and are pursuing a high performance goal;
 - 9.5.2 Young adults who are highly skilled and may still be pursuing a high performance goal (i.e., still developing as athletes). These may include players who are not participating in the NRL but are likely to be able to perform at or near that level currently or in the future;
 - 9.5.3 Other athletes who no longer wish to or are unable to advance to a high performance team but still wish to remain in a competitive environment; and,
 - 9.5.4 Other athletes who participate primarily for the social and physical benefits of a recreational environment.
 - 9.3.2 Open Ringette is therefore organized to clarify the distinction between NRL, competitive ringette and recreational ringette. See 9.4.1 Categorization of Teams and 9.6 Definitions.
 - 9.3.3 There is a greater expectation of fairness and equity in a competitive environment than a recreational environment therefore this policy will reflect the difference.
