5.0 PLAYER AFFILIATION POLICY

- 5.1 Purpose** Player affiliation allows a Group Member to create a team at a level where there are not enough players for a viable team and allows a team to replace absent, sick, injured, or suspended players on a game by game basis.
- 5.2 Applicability** All teams registered with Ringette Alberta, with the exception of Open D and Masters Teams (see 9.0 Adult Ringette), may affiliate players who are also registered with Ringette Alberta.
- 5.3 Principles**
- 5.3.1 It is acceptable to allow temporary use of players (affiliate players), from time to time, to ensure that teams are able to ice a viable team when full-time players are unavailable.
 - 5.3.2 Affiliation is NOT the tool to be used to provide additional ice time for select players: affiliation is not intended to be a supplemental developmental tool. Development that is needed by individual players is the responsibility of that player’s Group Member and coaches of that player’s full-time team.
 - 5.3.3 Player affiliation is not to be used to improve the competitiveness of a team at the expense of ice time for a regular player; these include skaters and goaltenders.
 - 5.3.4 Affiliating players to teams that may include more skilled and physically, emotionally, intellectually and socially more mature players may not be appropriate and therefore must be made with due diligence.

- 5.4 Requirements**
- 5.4.1 A player may be called from their full-time team to play on another team, only as indicated in Table 1 or Table 2 below, with the exception noted in 5.4.1.2 and in compliance with the restrictions in 5.4.3. and 5.4.4.
- 5.4.1.1 Associations must affiliate suitable players, as defined in the footnote to Table 1., from their own association before they may affiliate players from another association.
- 5.4.1.2 For goaltenders only, affiliation is allowed to a lower age division team, excluding Open ringette teams, only when the player in question is already “playing up” an age group; e.g., A 15 year old goaltender is placed on a U19 team to make that U19 team viable. The player may affiliate to a U16 team since the player’s age is appropriate for that level already.
- 5.4.2 An affiliation may be terminated once per season. A player’s affiliation that has been terminated may not affiliate to another team during the same season.
- 5.4.3 Affiliation is conditional on the player, parents (in the case of a minor), coaches and local association(s) agreeing to the affiliation and completing the necessary Player Affiliation Documentation.
