February 2019

**W**elcome to the *2019 Ringette Alberta Provincial Championships*.

These Championships are the result of commitment and hard work by your ringette community for many months. They showcase the dedication, pride, and teamwork that the athletes and coaches have demonstrated along the way as well as sportsmanship and citizenship which are the ultimate goals of our ringette programs. I encourage everyone to do their part by cheering on all participants and thanking your officials and volunteers that have worked so hard to make this event special.

Special thank you to all of the following:

- The host committee and volunteers for taking the time to organize this event for our athletes. We are proud to have our member associations contribute so much to the ringette community.
- The sponsors that have stepped forward to be part of the event. Your contributions are much appreciated.
- The Alberta Sport Connection - without the foundation's financial support many of our programs and services would not be available.
- The parents for being active members of our ringette community and supporting your child to play it, live it and love ringette!
- The athletes and coaches, this Championship Tournament is your reward for all the planning, sweat and plain hard work you have put in this season. Enjoy and savour the experience. You've earned it!

Make the most of this weekend. Play hard, play fair, and most importantly have fun!
