

# Coaching courses – ringette

You'll need 2 accounts. One at <https://thelocker.coach.ca>, and one at [www.coachingringette.ca/c](http://www.coachingringette.ca/c)

In The Locker, you will first take the Coach Initiation in Sport emodule. This is done independently, online, costs \$15, and takes about an hour. You do the multi-sport version.

In your Ringette Canada account, you'll REGISTER for a sport-specific course (Community Sport Initiation or Competition Introduction).

Peace River	Community Sport Initiation	Aug 25/19 @ 8:00am to Aug 25/19 @ 6:00pm	Peace River Accommodations: 130

Competition Introduction Pre-Clinic

begin

Competition Introduction Clinic

For Competition Introduction, before the "register" button will appear, you'll have to complete the pre-clinic workbook.

## Make Ethical Decisions (MED)

There are two parts to this. **The classroom or webinar must be done FIRST.** Classroom and webinar are with an instructor at a specific time. MED can be done before or after taking the sport-specific course.

Once that's done, you go online to complete the MED online evaluation **FOR FREE**. The evaluation is done on your own at any time after the course appears in your locker profile. (check the eLearning screen shot at the top of this page – MED evaluation is in the same place)

#2 & #5 are the same course, but the difference is that #2 is offered directly through The Locker for ~\$55, and #5 is booked through the Ringette Canada site ("register"), and we charge \$20. Either one could be in class or as a webinar, and no matter which one you take, they are the same course.
