27.0 GROUP MEMBER GOALTENDER POLICY

27.1 Purpose

Group Members have, monitor, and enforce, a Policy that contributes to the development of a broad base of goaltenders in Children’s Ringette. The intent of this policy is to help alleviate the problem of a shortage of goaltenders at the older age groups due to the natural attrition that occurs as athletes age.

27.2 Applicability

All Group Members operating Children’s Ringette

27.3 Principles

27.3.1 Ringette Alberta is unable to effectively monitor local compliance with a provincial goaltender development policy

27.3.2 Group Members have a responsibility to ensure that short-term coaching decisions related to which individuals play goal do not negatively impact the long-term availability of goaltenders, the viability of future teams, and cause over-reliance on affiliate goaltenders.

27.3.3 Development of goaltenders is predicated on individuals having the opportunity to practice and play the position on a regular basis

27.4 Requirements

27.4.1 Group Members must have a goaltender development policy in effect no later than the start of the 2022-23 season.

27.4.2 The Group Member is responsible for monitoring and enforcing their policy.

27.4.3 The Group Member may determine consequences for non-compliance with their policy.

27.4.4 The Group Member’s policy must include the following requirements:

27.4.4.1 Any individual may choose to be a full-time goaltender (see definitions) at any time.

- 27.4.4.2 A full-time goaltender is not necessarily entitled to play goal in every game.
- 27.4.4.3 While not playing goal, individuals may choose to play a different position but are not required to. This individual would be considered a Part Time Goaltender (see definitions).
- 27.4.4.4 In Children's Ringette, no individual may play goal more than:
 - 27.4.4.4.1 At Active Start and U10, 25% of the total games played by their team on or before December 31st and 25% after December 31st
 - 27.4.4.4.2 At U12, 75% of the total games played by their team on or before December 31st and 75% after December 31st

27.5 Consequences

Failure of the Group Member to have and enforce a Goaltender Development Policy that complies with this Policy shall result in the Group Member ceasing to be a member of Ringette Alberta in good standing.
