5.0 PLAYER AFFILIATION POLICY

5.1 Purpose

Player affiliation allows a Group Member to create a team at a level where there are not enough players for a viable team and allows a team to replace absent, sick, injured, or suspended players on a game by game basis.

5.2 Applicability

All teams registered with Ringette Alberta, with the exception of Open D and Masters Teams (see 9.0 Adult Ringette), may affiliate players who are also registered with Ringette Alberta.

5.3 Principles

- 5.3.1 The term PLAYER includes both *skaters* who play defence, forward or centre, part time *goaltenders* who are dressed as *skaters*, AND those dressed as goaltenders for a particular game.
- 5.3.2 A *skater* is anyone who is competing in a particular game but NOT dressed as a *goaltender*
- 5.3.3 It is acceptable to allow temporary use of affiliate players, from time to time, to ensure that teams are able to ice a viable team when insufficient numbers of a team’s full-time players are unavailable.
- 5.3.4 Affiliation is NOT the tool to be used to provide additional ice time for select players: affiliation is not intended to be a supplemental developmental tool. Development that is needed by individual players is the responsibility of that player’s Group

Member and coaches of that player's full-time team.

- 5.3.5 Affiliation is not to be used to improve the competitiveness of a team at the expense of ice time for a regular roster player; these include *skaters* and *goaltenders*.
- 5.3.6 Affiliating players to teams that may include more skilled and physically, emotionally, intellectually and socially more mature players may not be appropriate and therefore must be made with due diligence.
- 5.3.7 Teams should affiliate only as many players as they reasonably may need to call upon during a season as it may limit the ability of other teams within the same Group Member to access affiliates, goalies in particular.
- 5.3.8 Teams must be aware that registering an affiliate to their team may affect that players' eligibility for Western Canadian or Canadian Championships. See clause 5.4.18

- 5.4 Requirements**
- 5.4.1 An affiliate player may be called from their full-time team to play on another team, only as indicated in Table 1 or Table 2 below, with the exception noted in 5.4.1.2 and in compliance with the restrictions in 5.4.3. and 5.4.4.
 - 5.4.1.1 Associations must affiliate suitable players, as defined in the footnote to Table 1., from their own association before they may affiliate players from another association.
 - 5.4.1.2 For *goaltenders* only, affiliation is allowed to a lower age division team, excluding Open ringette teams, only when the player in question is already "playing up" an age group; e.g., A 15 year old *goaltender* is placed on a U19 team to make that U19 team viable. The player may affiliate to a U16 team since the player's age is appropriate for that level already.
 - 5.4.1.3 For *goaltenders* only, they may affiliate to a maximum of two teams.
 - 5.4.1.4 For *goaltenders* only, they may also be added to an additional roster as an Emergency Goaltender, per policy 2.5.2.6.
 - 5.4.2 An affiliation may be terminated once per season. A player's affiliation that has been terminated may not affiliate to another team during the same season.
 - 5.4.3 Affiliation is conditional on the player, parents (in the case of a minor), coaches and local association(s) agreeing to the affiliation and completing the necessary Player Affiliation Documentation.

5.4.4 Timelines

The deadline for Ringette Alberta to receive all Player Affiliation documentation, without paying a late fee, (see appendix A – Rates and Fees) is November 15th of the current playing season.

5.4.5 Fees

There is no additional registration fee for an affiliate player.

5.4.6 Competitors 'dressed' and listed on a team's game sheet shall be:

5.4.6.1 A minimum of seven (7) players (including skaters and goaltenders);

5.4.6.2 A maximum of five (5) affiliate players

AFFILIATING SKATERS

5.4.7 When affiliating only skaters (defence, forwards and/or centers) for participation in a game

5.4.7.1 A maximum of twelve (12) competitors 'dressed' may be listed on a team's game sheet;

5.4.7.2 A part time goaltender who is dressed as a skater (to play defence, forward or center for a particular game shall be considered a skater and among the 12 competitors

AFFILIATING ONLY A GOALTENDER

5.4.8 When affiliating only a goaltender to participate in a game:

5.4.8.1 Subject to 5.4.10, a maximum of eighteen (18) competitors may be 'dressed' and listed on a team's game sheet;

AFFILIATING a COMBINATION of SKATERS and A GOALTENDER

5.4.9 When affiliating a combination of skaters (defence, forwards and/or centers) and one (1) goaltender for participation in a game:

5.4.9.1 A maximum of 12 competitors: eleven (11) skaters and one goalie may be 'dressed' and listed on a team's game sheet;

5.4.9.2 A maximum of 13 competitors (11 skaters and 2 goaltenders) may be dressed for a game where a team dresses two goalies, one of which is an affiliate goaltender, subject to clause 5.4.8

5.4.10 Affiliate Goaltenders

5.4.10.1 The affiliate goaltender is only to be played in the event of illness, injury or absence of the full-time goaltender.

5.4.10.2 The affiliate goaltender may be dressed as a back-up in any game (provided the team follows 5.4.1) and may only play if the full-time goaltender gets hurt or becomes ill during the course of that game.

5.4.10.3 Coaches must ensure the purpose of affiliation is upheld with their goaltender affiliation choices.

Interpretation:

Case 1: A team has only 10 or fewer skaters and a goaltender from their regular team available to dress for a game:

Policy allows: Affiliation of the number of skaters (players that will play out) to get the team up to a maximum of 12 dressed competitors on the game sheet for that team.

Policy allows: Affiliation of one *goaltender* (subject to clause 5.4.10) and the number of *skaters* to get that team up to a maximum of thirteen (13) competitors on the game sheet for that team.

Case 2: A team has 11 skaters and two goaltenders from their regular team dressed for a game:

Policy does not allow any affiliate players on the game sheet for that team.

Case 3: A team has 10 skaters but no goaltenders from their regular team dressed for a game:

Policy allows: a maximum of two (2) affiliate players: one (1) *skater* and one (1) dressed as a *goaltender* on the game sheet for that team.

5.4.11 Number and Type of Games

Where affiliation is permitted (see Table 1 and Table 2), there is no restriction as to the number or type of games an affiliate player may participate in except:

Individuals registered as full time players at U10 Step 1, U10 Step 2, or U10 Step 3 shall not participate in more than five (5) games per season as an affiliate player;

Group Members are responsible for monitoring and enforcing the five (5) game maximum.

5.4.12 Affiliate players not eligible to play may be on the bench but cannot be 'dressed'. The players name must appear on the game sheet with (NOT DRESSED) appearing beside the name.

5.4.13 A team that is made up of players from different communities should locate at a 'home' association. AA teams may affiliate a player(s) from anywhere in accordance with the above affiliation policy.

5.4.14 U19 and below: Individuals registered as full-time players on a U19 or below team shall only be on two rosters, once as a player and once as an affiliate in the current season.

- 5.4.15 U14C may affiliate players from a U12A team within a Group Member Association that does not have a U12B or U12C team. The affiliate player(s) must have scored in the lower 50% of that seasons overall UAA score. The affiliate player must be approved by RAB prior to playing a game for the U14C team.
- 5.4.16 Conflicts regarding Provincial Playdowns and Championships may occur therefore, team staff must be aware of the dates for each Playdown and Provincial Championship and choose their affiliate players appropriately. The affiliate's main responsibility is to the player's own team's schedule (practices, league games, exhibition games, play-offs, tournaments, etc.).
- 5.4.17 Supervision of a minor affiliated to a higher age group team is the responsibility of the player's parents and the coaching staff of the receiving team.
- 5.4.18 Upon the conclusion of the Ringette Alberta Provincial Championship for the full-time team and where the team advances to the Western Canadian or Canadian Ringette Championship, that team's affiliate players shall automatically become full time players on that team except when the affiliate's full-time team from the regular season has also advanced to a Western Canadian or Canadian Ringette Championship in the same season.
- 5.4.19 Compliance and Consequences
- 5.4.19.1 *First time offense* - the team will receive a loss for the game in which the violation and/or abuse occurred, and the score will be recorded as a 0-7 loss for the penalized team.
- 5.4.19.2 *Second time offense* (within two calendar years of the first offense) - the Head Coach or Acting Head Coach will receive a 3 game suspension and the team will receive a loss for the game in which the violation and/or abuse occurred and the score will be recorded as a 0-7 loss for the penalized team.
- 5.4.19.3 *Third and subsequent offenses* (within two calendar years of the first offense) the Head Coach or Acting Head Coach will be suspended for the remainder of the current playing season, and the team will receive a loss for the game in which the violation and/or abuse occurred and the score will be recorded as a 0-7 loss for the penalized team.
