

# Match/Misconduct Feedback Submission

Recently, a Match or Misconduct penalty was given. The official has submitted a report, which has been sent to yourself (and your head coach, if not the head coach), as well as your association and league).

Ringette Alberta follows the Suspension Policy (as found here).

With all Match or Misconduct penalties, participants are able to give any comments, clarifications, or insights. Please use this form to capture that. ONLY submissions in writing can be accepted, and there should be enough room on the form to capture this. Please note that this submission will also be included with the final outcome.

For clarity, please understand the process:

- 1) Ringette Alberta is made aware of a Match or Misconduct
- 2) Ringette Alberta emails the report and game sheet to the person who received that penalty, their association, their league, any Referee-In-Chief of that league/association, and the head coach. A link to this form will be included
- 3) Time is given to allow for this form to be received - 48hrs
- 4) Ringette Alberta reviews all documents - policy is used to determine any suspension length. Email with notification of suspension is sent to all the same groups as in 2.
