BOARD GOVERNANCE

BOARD MANDATE

Ringette Alberta utilizes a policy board model, meaning its role is strategic and does not delve into operational matters. It is responsible for the stewardship of Ringette Alberta and for fulfilling all requirements of the Alberta Societies Act and Ringette Alberta's Bylaws.

The Board has the responsibility to govern and oversee the advancement of the Association towards the outcomes stated in its strategic plan. The Board, through the President of the Association, provides the Executive Director the responsibility for the day-to-day operations of the Association.

The Board exercises its authority by providing the Executive Director a Board-approved strategic plan, suite of policies, and annual budget.

All responsibilities not delegated to the Executive Director or a Committee of the Board remain with the Board itself.

STRUCTURE AND COMPOSITION

Ringette Alberta's Board is composed of 10 Directors (Chair Person, Vice Chair Person, Treasurer and 7 Directors at Large) from across Alberta with diverse backgrounds and expertise in sport, community, finance, law, human resources, and other areas critical to its operations.

10 DIRECTORS

(Chairperson, Vice Chairperson, Treasurer and 7 Directors at Large)

FROM WITHIN AND OUTSIDE the ringette community.

BOARD COMMITTEES

The Board carries out its mandate with the support of various committees. Board committees are not involved in operations.

The Chairperson of each Board Committee is accountable to the Board and reports to the Board at least at every meeting of the Board and at the request of the Board President.

These Committees do not have decision making authority; their function is to make recommendations to the Board.

CURRENT BOARD COMMITTEES

Executive, Finance + Audit, Risk Management, Male Inclusion, Strategic Planning, Human Resources and Governance

BOARD AD HOC COMMITTEES OR TASK FORCES

As needed, the Board may form an ad hoc committee or task force to delve deep into a matter important to the Board fulfilling its mandate and provide the Board with recommendations.

A Committee or Task Force has a finite timeframe and is accountable to the Board.

OPERATIONAL COMMITTEES

These are **NOT** Board Committees and therefore do not report to the Board of Directors. They are mentioned here to ensure the distinction is understood.

Operational Committees may be formed, as needed, by the Executive Director or designate, and serve a function similar to any paid or unpaid employee. These committees report to the Executive Director or designate and have the authority to make operational decisions within the parameters defined by the Executive Director or designate.

PERSPECTIVE VS REPRESENTATION

Ringette Alberta Directors bring their expertise and perspective to the Board but may not serve as direct representatives of specific stakeholders within the ringette community.

Decisions of the Directors must be made with the best interest of the sport as a whole in mind and must ensure the mandate of Ringette Alberta as their only concern.

DIRECTOR PROFILE

Directors of Ringette Alberta commit themselves to ethical, professional, and lawful conduct, including proper use of authority and decorum.

Accordingly, Directors must be able to represent unconflicted loyalty to the interests of Ringette Alberta. This accountability supersedes any conflicting loyalty, including membership, on other boards.

It also supersedes the personal interest of any Director acting as a consumer of Ringette Alberta's services or the services of a Ringette Alberta Member or having a family member who is a consumer of these services.

Directors will be recruited based on their demonstrated ability to contribute significantly to the leadership of Ringette Alberta and to fulfill their fiduciary responsibilities.

Ringette Alberta is looking for individual(s) to build upon their current complement of Board expertise.

Additionally, Directors are expected to fully engage in Board and Committee obligations.

Generally, there are six (6) Board meetings per year that range from 2-8 hours each, plus any tasks the Board assigns itself that are to be conducted between meetings. In typical years, approximately half of the Board meetings are in person, in a location central to the residences of the Directors, and half are virtual.

Directors are expected to attend the Annual General Meeting of the Association.

The Board will engage in a strategic plan renewal process which will involve approximately 3-4 full days (spread out) of participation by all Directors.

Each Director is encouraged to sit on at least one Board Standing Committee. Each committee averages approximately 2-6 conference calls of approximately 2 hours each per year.

Interested candidates are required to complete the Ringette Alberta Director Application and Agreement.

The Nominating Committee will consider all candidates and will evaluate each of them based on the requirements, competencies and skill sets the Board requires at this time.
